2) Under the terms of the first contract(which expires on 14.8.32) Dr. Robinson was entitled to one first class passage for himself and one for his wife.only, (and not his daughter), from India to America, if journey was actually made on completion of the term or within six months thereafter.

3) Under the terms now proposed in respect of the second term (from 15.8.32 to 14.8.37) he is entitled to one set of passages for himself, his wife and child for one journey to America and back. The journeys now intended are from India to England. ~~(He may later on put in a claim for a journey from England to America)~~. Dear Mr. Runga Rao:

My wife & daughter intend to proceed to England before I go on leave. Technically I am due to go this month but in view of the fact that I had been away a year of this term, I told the Dewan I should postpone taking leave until the end of the current college year, viz. April next.

The P & O have offered accommodation on the Viceroy of India for March 4 & April 22.

for my wife & daughter (March 4th Sailing) & myself (April 22nd Sailing). They required Rs. 500 deposit on each ticket. Would you kindly arrange to pay them the deposit?

Dear Dr. Robinson,

I am desired to acknowledge the receipt of your letter dated 12th instant in regard to the payment of the deposit amount demanded by the P & O. Steamship Company in respect of the passages for your wife and daughter and yourself, and to state as follows:-

Government will have no objection to remit the deposit amount asked for by the Steamship Company if that be absolutely necessary. ~~If you intimate the address of the Agents with whom you are corresponding and the cost of the passages,~~ Government will ~~be prepared to write to them that~~ pay for the passages ~~will be paid by Government in which case~~ the payment of an advance deposit may not be insisted upon.
